### Bubbe's Latkes

This works best when cooked in a large skillet or electric frying pan.

- 1 bag Russett potatoes, washed, peeled & cut into large chunks
- 1 1/2 onions, cut into wedges
- 2 tsp salt
- 1 tsp pepper
- 1 cup flour
- 1 bottle vegetable oil for cooking
- 1 tsp celery salt
- 1 tsp nutmeg
- 3 eggs

1. Combine potatoes and onions in food processor and puree. Work in batches until all potatoes are done.
2. Place potato mixture in a bowl, add remaining ingredients, mix well.
3. Heat 1 1/2 inches of oil in pan until hot, but not smoking. Drop about 1/4 cup of Latke batter into oil. Fry until golden, flip once.
4. Drain on paper towels. Salt lightly if desired.
