

### NEW PARTY

## Mami Caliente- A Baby Shower for a Hot Mama with a Latin Flair

### Activity

Make a Blessing Bead Necklace- What better way to send your Mami Caliente into her new role than bearing and wearing good wishes? Ask each guests to choose a bead from a bowl of glass, clay, or resin beads (purchased from your local bead store). Next, have them "put" their good wishes and prayers into the bead and then string them together. Many Mamis bring the necklaces into the birthing room as a reminder of these loving thoughts.

### Décor Ideas:

Bright colors and rustic textures look great and make it a party. For the party table: layer colored cloth and top with Abuela's antique lace table runner. Fill tall vases with citrus fruit and top with a flower arrangement. For an interesting arrangement on a sideboard or foyer: gather a dozen mismatched candlesticks then add a mix of thick and tapered ivory candles.
